#### **2. Intended Research Use**

Project Title:

Brief description of intended use (3–5 sentences):

---

#### **3. Permitted Use**

The RAD-IQMRI dataset is provided for:

- Academic research
  - Non-commercial use
  - Algorithm development and benchmarking
  - Methodological and scientific publication
- 

#### **4. Restrictions**

The applicant agrees that they will NOT:

- Use the dataset for commercial purposes
  - Redistribute the dataset to third parties
  - Upload the dataset to public mirrors
  - Use the dataset for clinical decision making
  - Attempt subject re-identification
  - Share access credentials or download links
- 

#### **5. Data Security**

The applicant agrees to:

- Store the dataset securely
  - Restrict access to authorized project members only
  - Prevent unauthorized copying or sharing
-

## **6. Citation Requirement**

All publications using this dataset must cite:
